

Summary: The App Builder allows you to control the look and navigation for your mobile app. This is how you add images for the district and each of your schools

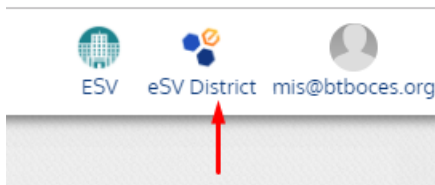

Prerequisites: Admin user

Steps

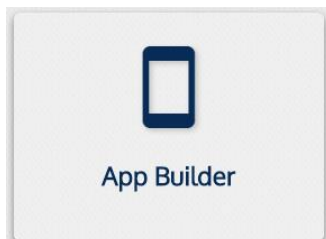

1. Login to the CMS, then click on the **eSV2Go App option**

2. In the upper right, **select the section** you are going to work on

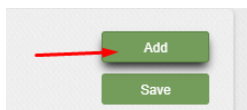

3. On the Home screen, click on App Builder.

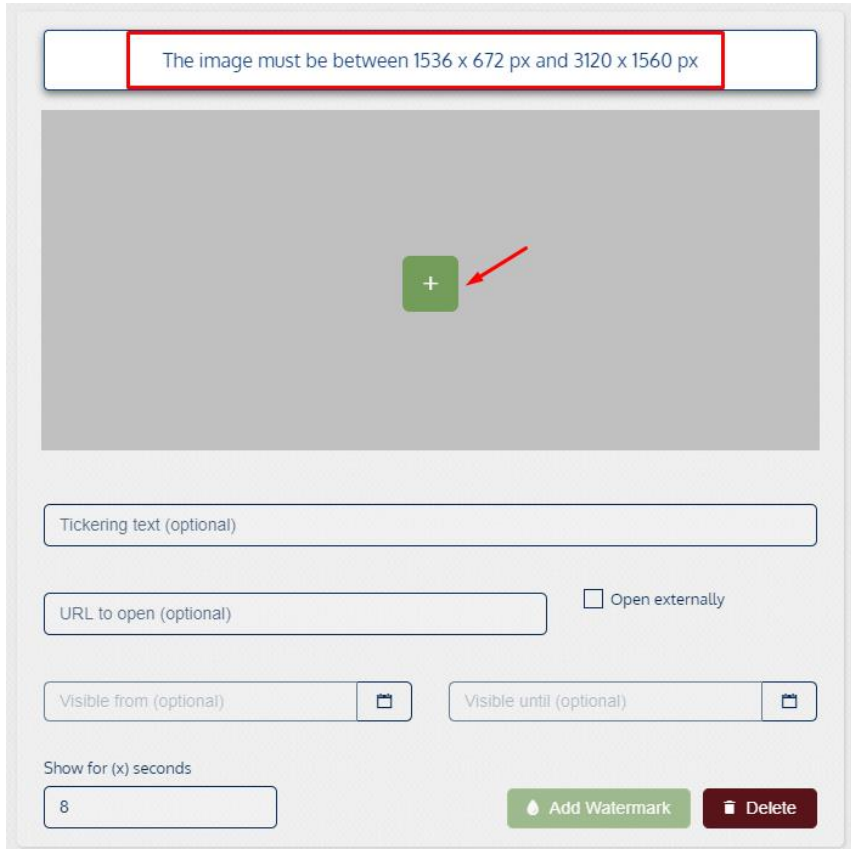

4. Slideshow Builder

5. To add a new image, click the Add button

6. Click the plus button to add an image. Keep in mind that the image MUST fall in between the pixels sizes noted. If not, it will not load
7. Fill in any other fields - these are optional. Choose the number of seconds the image shows before it changes

The image must be between 1536 x 672 px and 3120 x 1560 px
