Level 0 Templates to load

2019-2020

- By this point in the year, student data changes in Level 0 are perhaps best done manually rather than risk importing a bad file.
 - If you import a file, be sure to check your import counts BEFORE and AFTER the import and be able to explain differences.
- BE SURE you have reported Graduates!!
- January 2020 Physics Regents scores, must be reported through Level 0
- Student Class Grade Detail
- Run SIRS-401 Reasonableness Report to compare year over year record counts!! If they are not close, find out why!

2020-2021

- Level 0 is expected to be ready to accept SY21 student data by the week of September 17.
 - Staff Snapshot, Student Demographic and Enrollment will be your first domains.
- Late September -- Early to Mid December
 - Online 3-8 test ordering system opens
- October 8 -- Data due in Level 0 for August Graduates.
- October 22 -- Student data due in Level 0 for CBT Simulation Day 1
 - Simulation Day 1 expected to be early December
- December 10 -- Student data due in Level 0 for CBT Simulation Day 2
 - Simulation Day 2 expected to be early to mid January

Timeline and Due Dates

- August 20 (Thursday) **NOON** -- All Final 2019-20 SIRS EOY Data Due (except for Special Education Events)
